

Durham University Concert Band presents...

TO INFINITY!

(and a little bit further...)

PROGRAMME

PRESIDENT'S WELCOME

Welcome everyone to the Durham University Concert Band's Epiphany concert! We are delighted to have you with us this evening as we proudly present *To Infinity!*.

Tonight, our wonderful conductors Oscar and Timothy will be leading us to the stars, from *flying to the moon* all the way to *Jupiter!* We hope to be the *bringers of jollity* as Durham turns to spring and *summertime* before we all leave for Easter.

I am delighted to announce that we received a gold award at the National Concert Band Festival regionals up in Glasgow in January! Our excellent performance meant that we have been invited to the finals in Manchester over the Easter break where we will be playing a couple of pieces you will hear tonight: *Jupiter* and *Hymn of the Highlands*.

A few months ago I had the privilege of receiving an email from the son of one of DUCB's founders who had sadly passed away; Peter Clayton continued to talk about the band even in his final years with Alzheimer's, showing the power music has to stay with you through everything. To show our gratitude to him for founding this amazing group we will be playing Elgar's *Nimrod*.

Finally, I would like to extend our thanks to St Oswald's church for the fantastic venue, Durham Student Music for their continued support, and you, the audience, for coming to support the band every time we perform.

I hope you enjoy *To Infinity!*

Rufus Murray
DUCB President 2025 – 2026
